MESSAGE FROM THE CHAIRMAN

September 1961

Dear Subscriber:

We are happy to return to the air for our 20th year of radio broadcasting. In the brief history of radio and television, such a milestone should not be passed over nor ignored. We hope to mark this Anniversary with several special presentations in the months to come. This Guide and the local press will keep you well informed of future offerings.

However, our main concern continues to be providing high quality radio on a regular basis to Yale and the Greater New Haven area. Our regular listeners know that members receive no compensation for their efforts and that all revenue goes toward maintaining and developing the Station. We are grateful for the continuing support of local and national business that enables WYBC-FM to present its full complement of programs in the public interest. The loyalty and interest of our listeners is the only reward that we desire.

Therefore, a hearty welcome to both the steady listener and the newcomer. We hope that you will enjoy the coming broadcasting year and look forward to hearing from you on any aspect of our work.

Sincerely,

Aaron Etra,
Chairman
